SABI SANDS RESERVE

Day 1-5 | Arrive at Sabi Sands Reserve

Considered by many to be Southern Africa's premier wildlife destination and renowned globally for the incredible Big 5 sightings, Sabi Sands Nature Reserve is a testament to the vision of its founders who recognized the value in preserving this wonderful wilderness.

Covering 65,000 hectares and sharing a 50-kilometre unfenced boundary with the Kruger National Park, Sabi Sands offers some of the most prolific sightings of the magnificent Leopard and the opportunity to observe them in their natural environment. Luxury lodges abound and each offers its own definition of authentic South African hospitality and comfort.

ACCOMMODATION AT SABI SANDS

Your adventure begins in one of two safari camps, the Tengile River Lodge, or the Londolozi Tree Camp.

&Beyond Tengile River Lodge

Tengile, meaning “tranquil,” offers 9 secluded suites along the Sand River, combining privacy with exceptional wildlife interactions, including renowned leopard sightings and abundant Big 5 encounters. Strict vehicle limits at sightings ensure relaxed, rewarding game drives.

The thoughtfully designed lodge features private and interactive spaces for ultimate guest comfort, complemented by a talented kitchen team providing imaginative, dietary-inclusive meals.

Londolozi Tree Camp

Meaning “protector of all living things” in Zulu, this family-owned reserve embodies a pioneering spirit, offering one of the world’s most treasured wildlife experiences. In 1993, Londolozi became the first game reserve to achieve Relais & Châteaux status, with its luxurious Safari Camps combining experiential luxury and the stunning beauty of the Sabi Sand Reserve.
